Call for Papers

**International Travel Awards to attend 17th Annual Meeting of Chinese Neurosurgical Society
November 15-17, 2017, Hangzhou, China**

We cordially invite you to submit original research and/or review articles (no case report) for publication in the *Chinese Neurosurgical Journal (CNJ)*. *CNJ*, the official English journal of the Chinese Neurosurgical Society, was founded in 2015 by the Chinese Medical Association.

CNJ is devoted to the publication of original research and review related to neurosurgery, neurology, and neuroscience, including but not limited to *clinical and basic studies in CNS tumors, cerebral vascular disease, traumatic brain injury, spinal cord injury, movement-related disorders, epilepsy, pain, neurophysiology, stem cell therapy, et al.*

The journal has already been indexed by MEDLINE/US National Library of Medicine and CSCD/Chinese Science Citation Database. *CNJ* is an international open access journal published by BioMed Central, the open access publisher by Springer Nature. All articles published by *CNJ* are made freely and permanently accessible online (www.cnjournal.org) immediately upon publication. *CNJ* desires publishing high quality research and ensures authors with rapid review process, providing timely update of article status, international Quality review processing and increased visibility of the research work.

Upon acceptance for publication, the corresponding author (or first author, decided by the corresponding author) of the accepted article will be invited to present their study at the 18th Annual Meeting of Chinese Neurosurgical Society at Hangzhou, China, November 15-17, 2017 (<http://cns2017.medmeeting.org/>). The travel expenses (international economy flight) and accommodation associated with the meeting will be covered by the Chinese Neurosurgical Society. The expense for open access will also be waived for the accepted publication.
