ENDOMIN NEW GENERATION MINIMAL INVASIVE NEUROSURGERY CLINICAL OBSERVER COURSE

The ENDOMIN College team is pleased to announce this new generation observer course on minimally invasive neurosurgery which is dedicated to neurosurgeons with valuable basic experience.

Practically oriented lectures, extensive case discussions and numerous interesting live surgeries provide valuable knowledge and important tips and tricks to improve skills in minimal invasive neurosurgery and give instructions for avoiding surgical complications.

This exciting new training course is dedicated to you, the new generation of minimally invasive neurosurgeons.

We are looking forward to welcoming you in Switzerland's charming metropolis Zurich.
